RE: Review of Sinkhole on 3<sup>rd</sup> Battalion Causeway (Site/SWMU 3)  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Owens and Mr. Harrington:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (Department) completed the review of the above referenced letter received January 14, 2014. The Department appreciates notification of the formation of a sinkhole on Site 3. The Department shares the concern of the Depot pertaining to the "reforming sinkhole". The Department received the Site 3 Pre Design Investigation Work Plan D2 for Site 3, investigating the cause for sinkhole formation, on January 10, 2014. Based on our shared concern the Department is elevating the Site 3 PDI WP to top priority for review and response.

The Department's review is based on the information presented by MCRD to date; any information found to be contradictory may require further action. If you have any questions regarding this issue, please contact me at (803) 898-0368.

Sincerely,
